

CVPPPL MISSION

- *To construct and operate Projects in a cost effective, environment friendly and socio-economically responsive manner.*
- *To improve the lives of local community around all Project locations.*
- *To be a partner in nation building and contribute towards regional and national economic growth.*
- *Nurturing a culture of performance amongst experts and youth with the aim of bringing excellence and innovation while upholding CVPPPL's values.*
- *To uphold the guiding principle of Trust, Integrity and Transparency in all aspects of interaction and dealing.*
- *To work towards optimal governance.*
