Training & Development (F.Y. 2020-21)

As we all know that “**Necessity is the Mother of all Inventions**”. Therefore, in view of the present scenario of COVID -19 Pandemic, Latest SoPs and Govt., Guidelines and keeping abreast with the new technological advancements, we have switched over from Conventional methods of trainings to Online mode through Webinars. The vision behind conducting these Webinars is to create a common platform for transmission of knowledge/expertise/awareness amongst CVPPPians.

So, far two Webinar sessions have been conducted on the following topics through Internal faculty of CVPPPL:-

1. CSR and Sustainability Policy of CVPPPL

2. Understanding Landslides –the Geological Perspective

Both the programs were highly acclaimed and appreciated by one and all.

T & HRD Division is striving its best effort for conducting more no. of. such Webinar sessions in the coming time through its Internal faculties as well through External forums.
